

The Crane Wife

Kerry Drewery

The Crane Wife C. J. Hauser, 2023-07-13 Ten days after calling off her wedding, CJ Hauser went on an expedition to study the whooping crane. After a week wading through the gulf, she realised she had almost signed up to live somebody else's life. In this intimate, frank and funny memoir in essays, CJ Hauser releases herself from her story of 'how life was supposed to be'. She goes looking for more honest ways of living, for new definitions of love. She kisses internet strangers, officiates a wedding, visits a fertility clinic. She rereads Rebecca in the house her new boyfriend shared with his ex-wife and rewinds Katharine Hepburn in *The Philadelphia Story* to ask whether you can ever have a fresh start with an old love. She writes about friends and lovers and blood family and chosen family and children and animals and ghosts and a whole planet in this book, and hopes you see all of these as love stories.

The Crane Wife Patrick Ness, 2013-04-04 Shortlisted for the 2013 National Book Awards UK Author of the Year. One night, George Duncan - decent man, a good man - is woken by a noise in his garden. Impossibly, a great white crane has tumbled to earth, shot through its wing by an arrow. Unexpectedly moved, George helps the bird, and from the moment he watches it fly off, his life is transformed. The next day, a kind but enigmatic woman walks into George's shop. Suddenly a new world opens up for George, and one night she starts to tell him the most extraordinary story. Wise, romantic, magical and funny, *The Crane Wife* is a hymn to the creative imagination and a celebration of the disruptive and redemptive power of love.

The Crane Girl Curtis Manley, 2023-11-07 In this magical retelling of a Japanese folktale, a mysterious girl weaves silk to help repay the kindness of a boy and his father until the father's greed finally exposes her secret.

The Crane Wife Barbara Carlisle, 1994

The Lost Language of Cranes David Leavitt, 2014-06-30 'One of his generation's most gifted writers.' New York Times 'An amazingly perceptive novel.' San Francisco Chronicle 'Fascinating... lingers in the mind' New York Times Book Review Owen and Rose are facing serious challenges to their married life of routine and monotony as New York City grows and changes around them. They spend most Sundays apart; while Rose buries herself in crosswords and newspapers, Owen visits gay porn theaters. But when they discover they may lose their apartment and their son, prompted by his new relationship, reveals his homosexuality, their lives cannot continue as they were. Owen and Rose are forced to confront not only their son's revelation

but also Owen's latent homosexuality. Poignant and lingering, this is a tale of love and relationships, secrets and unspoken desires.

The Crane Wife Patrick Ness,2014

The Crane Wife ,1998 After Sachi cares for an injured crane, a beautiful woman asks to be his wife and weaves wonderful silk that makes him a rich man.

The Crane Wife Sharon Hashimoto,2021-04-13 Sharon Hashimoto explores themes of what is heard and misinterpreted, what is left unexplained, and what is passed down in The Crane Wife. In these pieces, the Sansei poet leafs through old photographs--one of which is of a newlywed couple with the groom's image cut away. Here is the rediscovered piece of barbed wire from outside the Heart Mountain concentration camp. That wire, a lei, and a car trip to an empty lot are all bits of evidence. Her questions address grandparents, mother and father, siblings, and the next generation. Hashimoto also reinvents Japanese folk tales and explores the different voices of the members of a downed JAL jet. Her poems travel in new directions in an attempt to fill in the gaps.

Family of Origin CJ Hauser,2020-06-16 A novel by the author of the viral essay sensation The Crane Wife: When Nolan Grey receives news that his father, a once-prominent biologist, has drowned off Leap's Island, he calls on Elsa, his estranged older half-sister, to help. This, despite the fact that it was he and Elsa who broke the family in the first place. Elsa and Nolan travel to their father's field station off the Gulf Coast, where a group called the Reversalists obsessively study the undowny bufflehead, a rare duck whose loss of waterproof feathers proves, they say, that evolution is running in reverse. On an island that is always looking backward, it's impossible for the siblings to ignore their past, and years of family secrecy threaten to ruin them all over again. Yet, despite themselves, the Greys urgently trek the island to find the so-called Paradise Duck, their father's final obsession, all the while grappling with questions of nature and nurture, intimacy and betrayal, progress and forgiveness.

The Crane Wife Sharon Hashimoto,1990

My Body Keeps Your Secrets Lucia Osborne-Crowley,2021-09-02 In her first full-length book, Lucia Osborne-Crowley, author of the acclaimed Mood Indigo essay I Choose Elena, writes about the secrets a woman's body keeps, from puberty to menstruation to sexual pleasure; to pregnancy or its absence; and to darker secrets of abuse, invasion or violation. Through the voices of women around the world and her own deeply moving testimony, My Body Keeps Your Secrets tells the story of the young woman's body in 2021. Moving from girlhood and adolescence to young womanhood, Osborne-Crowley establishes her credentials as a key feminist thinker of a new generation with this widely researched and boldly argued work about reclaiming our bodies in the age of social media.

The Crash of Hennington Patrick Ness,2014 Love is political, obsessive and utterly strange in the first novel from the

author of the Chaos Walking trilogy and new novel More Than This'.

Blood in the Thread Cheri Kamei, 2021-06-02 Cheri Kamei's *Blood in the Thread* is a retelling of *The Crane Wife*. Content warning: This story contains fictional depictions of domestic violence. Nothing tears two women apart like the men who want and take indiscriminately. A makeup artist and her actress lover struggle to stay together as the glitz and glamour of old Hollywood transforms into a cruel and manipulative beast that threatens to pluck them apart. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This Story Will Change Elizabeth Crane, 2023-08-15 Rachel Cusk meets Nora Ephron in this intimate and evolving portrait about the end of a marriage and how life can fall apart and be rebuilt in wonderful and surprising ways Thrilling. —The New York Times Book Review One minute Elizabeth Crane and her husband of fifteen years are fixing up their old house in Upstate New York, finally setting down roots after stints in Chicago, Texas, and Brooklyn, when his unexpected admission—I'm not happy—changes everything. Suddenly she finds herself separated and in couples therapy, living in an apartment in the city with an old friend and his kid. It's understood that the apartment and bonus family are temporary, but the situation brings unexpected comfort and much-needed healing for wounds even older than her marriage. Crafting the story as the very events chronicled are unfolding, Crane writes from a place of guarded possibility, capturing through vignettes and collected moments a semblance of the real-time practice of healing. At turns funny and dark, with moments of poignancy, *This Story Will Change* is an unexpected and moving portrait of a woman in transformation, a chronicle of how even the stories we tell ourselves about ourselves are bound to change.

We Need to Talk Jonathan Crane, 2021-06-05 A WICKEDLY HONEST PORTRAIT OF MIDDLE ENGLAND ON THE EVE OF COVID 'A hymn to the mundane, as intricately crafted as an Ayckbourn play. A brilliant first novel' AILSA COX It's 2019 in Sudleigh, a market town not far from the south coast. It's not a bad place to live, provided the new housing development doesn't ruin it, but most residents are too caught up in their own grudges, sores and struggles to notice. Gap-year Tom is cleaning toilets but finding unexpected solace in his Chinese house-share. Former lounge musician Frank wants to pass his carpet business to his nephew Josh, killing the boy's dream to become a chef. Sharp-elbowed phone-sex operator Heather will stop at nothing to become manager of the golf club. Miss Bennett keeps putting her house on the market when she doesn't want to move. Do they all know how their lives are linked? And will creative writing tutor Tony, hard at work on his ironic pseudo-children's book *The Jazz Cats*, ever pluck up the courage to leave his unappreciative girlfriend Lydia? Meticulously observed, with flashes of wicked comedy, *We Need to Talk* offers a jigsaw puzzle of unwitting connections for the reader to assemble. The finished picture is an unflinchingly honest portrait of multi-jobbing, gig-economy Middle England on the eve of Covid.

White Crane, Lend Me Your Wings Dr Tsewang Yishey Pemba, 2017-01-27 A posthumous novel by Dr Tsewang Yishey

Pemba, the founding father of Tibetan-English literature, *White Crane, Lend me your Wings* is a historical fiction set in the breathtakingly beautiful Nyarong Valley of the Kham province of Eastern Tibet in the first half of the twentieth century. Dr Pemba skillfully weaves a dazzling tapestry of individual lives and sweeping events creating an epic vision of a country and people during a time of tremendous upheaval. The novel begins with a never-told-before story of a failed Christian mission in Tibet and takes one into the heartland of Eastern Tibet by capturing the zeitgeist of the fierce warrior tribe of Khampas ruled by chieftains. This coming-of-age narrative is a riveting tale of vengeance, warfare and love unfolded through the life story of two young boys and their family and friends. The personal drama gets embroiled in a national catastrophe as China invades Tibet forcing it out of its isolation. Ultimately, the novel delves into themes such as tradition versus modernity, individual choice and freedom, the nature of governance, the role of religion in people's lives, the inevitability of change and the importance of human values such as loyalty and compassion.

The Last Paper Crane Kerry Drewery, 2020-04-02 Nominated for the 2021 CILIP Carnegie Medal, joint winner of the UKLA 11-14 Book Award 2021 and winner of the Warwickshire Schools Library Award. 'I loved this book ... Kerry's writing is beautiful, lyrical and poetic and has created a story that manages to be heart-warming and life-affirming whilst covering one of the most devastating events of the last century.' Liz Kessler, author of *When the World was Ours* A Japanese teenager, Mizuki, is worried about her grandfather. He tells Mizuki that he has never recovered from something that happened in his past ... gently Mizuki persuades him to tell her what it is. We are taken to 1945, Hiroshima, and Mizuki's grandfather as a teenage boy at home with his friend Hiro. Moments later the horrific nuclear bomb is dropped on Hiroshima. The blinding flash, the harrowing search for family and the devastation both human and physical is searingly told as the two teenage boys search for and find Keiko, Hiro's five-year-old sister. But then Mizuki's grandfather has no option but to leave Keiko in a safe place while he goes for help... and then Keiko is lost. Despite a desperate hunt in the immediate aftermath, where he leaves origami folded paper cranes with his address on everywhere a survivor could be, Keiko remains lost.. Can Mizuki help after all these years? A powerful novel that, despite its harrowing subject matter, has hope at its heart.

The Crane Wife CJ Hauser, 2023-06-27 A memoir in essays that expands on the viral sensation “The Crane Wife” with a frank and funny look at love, intimacy, and self in the twenty-first century. From friends and lovers to blood family and chosen family, this “elegant masterpiece” (Roxane Gay, New York Times bestselling author of *Hunger*) asks what more expansive definitions of love might offer us all. A BEST BOOK OF THE YEAR: TIME, THE GUARDIAN, GARDEN & GUN Hauser builds their life's inventory out of deconstructed personal narratives, resulting in a reading experience that's rich like a complicated dessert—not for wolfing down but for savoring in small bites. —The New York Times “Clever, heartfelt, and wrenching.” —Time “Brilliant.” —Oprah Daily Ten days after calling off their wedding, CJ Hauser went on an expedition to Texas to study the whooping crane. After a week wading through the gulf, they realized they'd almost signed up to live

someone else's life. What if you released yourself from traditional narratives of happiness? What if you looked for ways to leave room for the unexpected? In Hauser's case, this meant dissecting pop culture touchstone, from The Philadelphia Story to The X Files, to learn how not to lose yourself in a relationship. They attended a robot convention, contemplated grief at John Belushi's gravesite, and officiated a wedding. Most importantly, they mapped the difference between the stories we're asked to hold versus those we choose to carry. Told with the late-night barstool directness of your wisest, most bighearted friend, *The Crane Wife* is a book for everyone whose path doesn't look the way they thought it would; for everyone learning to find joy in the not-knowing and to build a new sort of life story, a new sort of family, a new sort of home to live in.

I Know I'm In There Somewhere Helene Brenner, 2004-05-03 Based on her work with over a thousand women across the country, psychologist Helene G. Brenner has learned that women feel the impulse to accommodate, adapt and mold themselves to serve others at their own expense. Her solution is an invigorating new approach to women's psychology. The key to transformation, she explains, is not self-improvement, but self-acceptance—affirming and validating what we truly feel and experience and who we already are. Dr. Brenner shows women how to discover and express what they truly want and value, guiding you toward your own Inner Voice. *I Know I'm In There Somewhere* will show you: - How to embrace, rather than fix, the Inner Voice that has been there all along - How to distinguish the Outer Voices (the expectations of the people around you) from Your Inner Voice (the voice of your true self that goes beyond intuition and guides you wisely towards what is right for you) - What to do when you feel that the essence of who you are is being stifled by external demands and expectations

Little Aunt Crane Geling Yan, 2015-11-19 In the last days of World War II, the Japanese occupation of Manchuria has collapsed. As the Chinese move in, the elders of the Japanese settler village of Sakito decide to preserve their honour by killing all the villagers in an act of mass suicide. Only 16-year-old Tatsuru escapes. But Tatsuru's trials have just begun. As she flees, she falls into the hands of human traffickers. She is sold to a wealthy Chinese family, where she becomes Duohe - the clandestine second wife to the only son, and the secret bearer of his children. Against all odds, Duohe forms an unlikely friendship with the first wife Xiaohuan, united by the unshakeable bonds of motherhood and family. Spanning several tumultuous decades of Mao's rule, *Little Aunt Crane* is a novel about love, bravery and survival, and how humanity endures in the most unlikely of circumstances.

Delve into the emotional tapestry woven by *Crafted by The Crane Wife*.
