The Archaeology of Medicine and Healthcare Naomi Sykes, Julia Shaw, 2022-06-09 The maintenance of human health and the mechanisms by which this is achieved - through medicine, medical intervention and care-giving - are fundamentals of human societies. However, archaeological investigations of medicine and care have tended to examine the obvious and explicit manifestations of medical treatment as discrete practices that take place within specific settings, rather than as broader indicators of medical worldviews and health beliefs. This volume highlights the importance of medical worldviews as a means of understanding healthcare and medical practice in the past. The volume brings together ten chapters, with themes ranging from a bioarchaeology of Neanderthal healthcare, to Roman air quality, decontamination strategies at Australian quarantine centres, to local resistance to colonial medical structures in South America. Within their chapters the contributors argue for greater integration between archaeology and both the medical and environmental humanities, while the Introduction presents suggestions for future engagement with emerging discourse in community and public health, environmental and planetary health, genetic and epigenetic medicine, 'exposome' studies and ecological public health, microbiome studies and historical disability studies. The chapters in this book were originally published as a special issue of *World Archaeology*.

Irishness and Womanhood in Nineteenth-century British Writing Thomas J. Tracy, 2009 Using Lady Morgan's *The Wild Irish Girl* as his point of departure, Thomas J. Tracy argues that nineteenth-century debates over what constitutes British national identity often revolved around representations of Irishness, especially Irish womanhood. He maps the genealogy of this development in fiction, political discourse, and the popular press, from Edgeworth's *Castle Rackrent* through Trollope's Irish novels, focusing on the pivotal period from 1806 through the 1870s.

The Rakess Scarlett Peckham,2020-04-28 Named one of the Best Romance of 2020 by EW, Washington Post, NPR, and Bookpage! Meet the SOCIETY OF SIRENS—three radical, libertine ladies determined to weaponize their scandalous reputations to fight for justice and the love they deserve... She's a Rakess on a quest for women's rights... Seraphina Arden's passions include equality, amorous affairs, and wild, wine-soaked nights. To raise funds for her cause, she's set to publish explosive memoirs exposing the powerful man who ruined her. Her ideals are her purpose, her friends are her family, and her paramours are forbidden to linger in the morning. He's not looking for a summer lover... Adam Anderson is a wholesome, handsome, widowed Scottish architect, with two young children, a business to protect, and an aversion to scandal. He could never, ever afford to fall for Seraphina. But her indecent proposal—one month, no strings, no future—proves too tempting for a man who strains to keep his passions buried with the losses of his past. But one night changes everything... What began as a fling soon forces them to confront painful secrets—and yearnings they thought they'd never have again. But when Seraphina discovers Adam's future depends on the man she's about to destroy, she must decide what to protect... her desire for justice, or her heart.

Country Born Linda Lael Miller,2022-05-01 A Painted Pony Creek novel. Sometimes love is just out of reach... Rancher and military veteran J.P. McCall loves simple pleasures. The satisfaction of working his family's land. The freedom to come and go as he pleases. But ever since his two closest friends have married and started families of their own, J.P. realises what

he's been missing. He's known plenty of women, but now he craves finding The One. And then Sara Worth comes crashing back into his life. She's his buddy's sister, the woman who was always out of reach. Single mum Sara Worth has her hands full. After a disastrous early marriage, she is now writing bestselling books by day and caring for her two teenagers by night. That doesn't leave a lot of me time. But when an innocent request for J.P.'s help leads to an unforgettable kiss, she's intrigued — and unsure. Giving love a second chance feels impossible. But when the man from Sara's past resurfaces, threatening everything she holds dear, J.P. will do whatever it takes to protect the woman who's stealing his heart.

This Close to Happy Daphne Merkin,2017-02-07 “A clear-eyed, insightful account of how she felt during her nosedives into despair . . . shot through with a self-awareness that helps readers cheer her on.”—The New York Times A New York Times Book Review Favorite Read of the Year “Despair is always described as dull,” writes Daphne Merkin, “when the truth is that despair has a light all its own, a lunar glow, the color of mottled silver.” This *Close to Happy*—Merkin's rare, vividly personal account of what it feels like to suffer from clinical depression—captures this strange light. Merkin has been hospitalized three times: first, in grade school, for childhood depression; years later, after her daughter was born, for severe postpartum depression; and later still, after her mother died, for obsessive suicidal thinking. Recounting this series of hospitalizations, as well as her visits to myriad therapists and psychopharmacologists, Merkin portrays the lifelong arc of her affliction, beginning in a childhood largely bereft of love and stretching into the present, where she lives a high-functioning life and her depression is manageable, if not “cured.” The opposite of depression, she writes with characteristic insight, is not a state of unimaginable happiness, but a state of relative all-right-ness. In this dark yet vital memoir, Merkin describes not only the harrowing sorrow that she has known all her life, but also her early, redemptive love of reading and gradual emergence as a writer. Written with an acute understanding of the ways in which her condition has evolved as well as affected those around her, *This Close to Happy* is an utterly candid coming-to-terms with an illness that is still often stigmatized and shrouded in misunderstanding. “[A] mesmerizing memoir.” —Booklist (starred review) “Brings a stunningly perceptive voice to the forefront of the conversation about depression, one that is both reassuring and revelatory.” —Carol Gilligan, author of *In a Different Voice*
