**Dan Moynihan, Brian Titley**

In the News, 3rd edition William Wray Carney, Colin Babiuk, Mark Hunter LaVigne, 2019-03-01 Now in its third edition, In the News is the standard Canadian textbook on media relations, used across the country. The authors provide an introduction to media relations, grounded in both communications theory and hands-on, day-to-day experience. Whether you need to promote your issues to the nation or reach small, targeted groups, this book is your step-by-step guide. In the News is perfect for communications students; media relations practitioners in the private, public and voluntary sectors; and anyone who wants to break a story.

**Face the Issues** Carol Numrich, National Public Radio (U.S.), 1997 Face the Issues is an exciting and highly successful approach to listening comprehension and discussion for intermediate and high-intermediate students. Each of the twelve units is based on an authentic radio broadcast taken from National Public Radio's All Things Considered and Morning Edition. Students are presented with interesting and relevant content in unedited everyday speech including hesitations, redundancies, and various dialectical patterns.

**Ethics in Sport-3rd Edition** Morgan, William J., 2018 Ethics in Sport, Third Edition, offers 32 essays by well-known authors. These essays explore the roots of the ethical and moral dilemmas so prevalent in sport culture today. Nearly half the essays are new to this edition.

Raise the Issues Carol Numrich, 2009 Raise the Issues helps advanced students develop critical thinking skills as they gain insight into American Attitudes and values. It combines original broadcasts from NPR® with authentic articles from publications such as The New York Times, The Atlantic Monthly, and the International Herald-Tribune to present differing viewpoints on contemporary topics. Each of the ten units provides stimulating content that integrates listening, reading, speaking, and writing. As students clarify, interpret, and evaluate ideas from the material, they improve their command of sophisticated vocabulary and complex structures. The third edition features five new units on topical issues such as international adoptions, immigration, alternative energy, and the place of sports in higher education. Business Communication, 3rd Edition Madhukar R.K., It is a comprehensive textbook especially designed for the students of commerce, management and other professional courses. It serves both as a learner's text and a practitioner's guide. It

provides a sharp focus on all relevant concepts and cardinal principles of business communication and adds value to the reader's understanding of the subject. Following a need-based and sequential approach, the book is highly stimulating and leads students to communicate with élan and prepare for work place challenges.

Raise the Issues Carol Numrich, National Public Radio (U.S.), 2002 An exciting, proven approach to listening comprehension and discussion, based on authentic radio broadcasts from NPR's All Things Considered, Weekend Edition, and Morning Edition. Students are presented with interesting, relevant content in unedited everyday speech including hesitations, redundancies, and various dialectical patterns. The series: Develops essential listening strategies, including predicting, looking at language, understanding main ideas and points of view, focusing on details, and note-taking. Fosters critical thinking skills through follow-up activities that include discussion, debate, values clarification, and writing assignments. Integrates language and concepts through sophisticated grammar and vocabulary activities. Audio programs comprising original radio broadcasts are available for each book. (Audioscripts appear in separate Answer Key for Raise the Issues, Second Edition). Raise the Issues: Integrates all four skills while encouraging students to think critically about American attitudes and values. Combines original broadcasts with authentic webzine, magazine, and newspaper articles, and editorials to present different viewpoints. Features units on current issues ranging from genetic engineering to the effects of the Internet. Audio Sample Listen to a sample from the audio CDs: From Unit 2: Better Dead than Coed (3:21) Click here to order the Audio Program. The NPR series also includes the Consider the Issues and the new edition of Face the Issues.

**Social Issues in Sport-3rd Edition** Woods, Ron, 2015-09-24 Social Issues in Sport, Third Edition, explores common questions and issues about sport and its relation to society through various sociological and cultural lenses. The text is grounded in practical application and provides social theories through which students may examine real-world issues.

**Financial Reporting, 3rd Edition** Janice Loftus, Ken Leo, Sorin Daniliuc, Noel Boys, Belinda Luke, Hong Nee Ang, Karyn Byrnes, 2020-02-25 The third edition of Loftus' Financial Reporting has been updated for recent developments in the Australian Accounting Standards, including the release of the new Conceptual Framework. This text is designed to be used across the 2nd and 3rd year financial accounting units. A hallmark feature of the text is that it provides both a conceptual understanding and a practical application of the accounting standards. For students, an understanding of the conceptual basis of accounting and the rationale behind the principles is crucial to the consistent application of standards in a variety of practical contexts. The Financial Reporting interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos (from Ernst & Young), interactive worked problems and questions with immediate feedback. Loftus' unique resource can also form the basis of a blended learning solution for lecturers.

Circular Economy in the European Union Dagmara Lewicka, Joanna Zarębska, Roman Batko, Beata Tarczydło, Maciej Woźniak, Dariusz Cichoń, Monika Pec, 2023-12-29 Circular Economy in the European Union: Organisational Practice and Future Directions in Germany, Poland and Spain presents the EU's journey towards a Circular Economy (CE), identifying significant organizational practices in this gradually adopted field among member countries. The book also aims to develop and propose innovative initiatives and practices for implementing CE across various economic sectors in selected EU countries, such as Poland, Spain and Germany. Covering topics which include the implementation of CE in the EU and worldwide, green employee behaviors, corporate social responsibility in creating pro-environmental attitudes and models of eco-digital factory transformation in SMEs, the book emphasizes the importance of innovative, environmentally friendly, low-waste, and low-emission technologies. Consisting of thirteen interconnected chapters, it discusses the challenges and opportunities of CE, the importance of business engagement in addressing social and environmental problems, and provides practical examples of innovative solutions in various sectors. This volume will be of great interest to students and scholars of circular economy, corporate governance, business ethics and sustainable business, as well as entrepreneurs, managers, government representatives, and non-governmental organizations active in CE.

**Becoming a Midwife in the 21st Century** Ian Peate,Cathy Hamilton,2013-03-19 The NMC have produced standards of proficiency for pre registration midwifery education and those standards have been written in an “academic” language, for higher education institutions. Each student prior to being admitted to the profession must have achieved the proficiencies stated in the NMC publication. The purpose of this book is to provide students with material related to the standards of midwifery education. The students will be able to use the contents of this text and relate it to their own approved programme of midwifery study, as their programme of study would have had to comply with NMC’s requirements. It will help student midwives appreciate how their own programmes have been designed, and why they are required to study and understand some of the subjects they are, or will be studying.
